

Carson City Pop Warner 2025 Player Conduct Policy

The Carson City Pop Warner expects all football players to conduct themselves with the highest level of integrity and sportsmanship. Certain behaviors cannot and will not be tolerated by the Association.

The first is any participant who engages in **intimidation, bullying, attempting to intentionally harm another player (i.e. intentionally leading with the helmet repeatedly, intentional helmet to helmet contact, etc.)**, or disrespect for authority during practices, games, or off the field.

These activities, when witnessed by CCPW staff, shall be disciplined.

*The first offense is punishable by up to and including a suspension from a game by the head coach (the timing of this suspension shall be at the sole discretion of the head coach).

*A second offense will result in a one-week suspension from the team and shall be at the discretion of the Football Commissioner/Vice President.

*A third offense will result in suspension from the team for the balance of the season at the discretion of the President of CCPW.

In addition to the above, the Association does not tolerate **fighting**. A fight is defined as a single punch or kick by one individual to another person (a second party). If the second party does not retaliate, they will not be disciplined unless it is determined that they provoked the fight in any manner. If a fight is witnessed by CCPW staff, both participating parties will be suspended for the remainder of the season without refunds of any kind.
